## OUR BELIEF

The Purpose of Education is to give to the body and the soul all the beauty and all the perfection of which they are capable of and that, the direction in which students are guided to learning will determine the future course of his life.

## Vision

**“We envision today’s children as tomorrow’s leadership icons”**

Our Vision is that education is an enlivening, interactive, and life-long experience. Education can be complete only when it is multi-faceted and it blends academics, sports, arts, music, value education and concern for nature. Our vision is to help every child dream high and encourage, enthuse and enable him to achieve his dreams.

## Mission

Shri B.M.Patel Institute Mission is students are taught to think promptly, act quickly, focus on problem solving, decision making and self-help, while promoting interpersonal communication.

## About School

Shri B.M. Patel Education Institute Spread over an area of 5 acres, day boarding cum residential school, About 3000 students' study in school. With extensively trained and highly qualified faculty that provides students with a stimulating learning environment in a safe, rural setting. Students discover a love of learning and prepare for excellence in School.

We believe that the emotional wellbeing of our children is key to successful academic outcomes. We are able to monitor and connect closely with our children on a daily basis. Our students are encouraged to think freely, work responsibly and look out for each other as a team. Building a ring of confidence in class, we have Circle Time classes every week as an engaging, democratic and creative approach to managing issues such as bullying, poor self-esteem, anger management and peer pressure. The meaningful interactions help us build self-awareness, inner resilience and keen emotional intelligence. Work Experience and Physical Education and Value Education empower the emotional intelligence and improve the creative abilities of the learners.

The school offers all-round development for the students in all areas- academic, art, and Sporting Facilities of cricket, football, volleyball, table tennis, swimming pool, and much more.
